RESULTS DRIVEN, CLIENT FOCUSED

Verity Jet Group is the authority in the aircraft brokerage industry, leveraging deep market insight, expert technical acumen, and two decades of experience to maximize aviation asset values for our clients.

We believe strong customer relationships are the basis of a successful and enduring business. A boutique firm, Verity Jet Group was founded in spirit of placing client interests above all. Verity Jet Group honors a strict code of ethics, which has earned us a reputation of integrity and transparency.

Unlike many brokerages with multiple disciplines, Verity Jet Group is singularly focused on transacting aircraft. We're not generalists, rather we allocate 100% of our time and resources to mastering our craft. We invest heavily in data, technology, and intelligence, a strategy that saves our clients multiples of our fee.
