

THE KING AIR BRIEF

MONTHLY INSIGHTS FOR KING AIR 350i OWNERS

JULY 2026
ISSUE NO. 1
VOLUME NO. 1

VERITY JET MARKET INTELLIGENCE | THE TRUSTED RESOURCE FOR KING AIR 350i OWNERS

EXECUTIVE SUMMARY

Inventory remains at historic lows with only 7 aircraft for sale worldwide.

Average asking price continues to climb, up 6.3% year-over-year.

Average days on market dropped to 121, down 18% from last year.

MIKE'S MARKET OBSERVATION

With inventory this tight, buyers are competing for the right airplanes - not just any airplanes. Quality 350i's are rarely available, but always in demand.

BUYER BEHAVIOR

Top questions buyers asked this month:

- Can the avionics be upgraded to a G1000?
- Has this model had Blackhawk conversions?
- When is the next landing gear overhaul due?

SELLER STRATEGY

Preparation is creating premium results. The aircraft that sold fastest this month had complete logs, up-to-date maintenance, and realistic pricing from day one.

SERIAL NUMBER INTELLIGENCE

The FL-1039 Divide

Beginning with serial number FL-1039, the King Air 350i came standard with Collins Pro Line Fusion.

Earlier aircraft (FL-890 to FL-1038) were delivered with Pro Line.
